Correction

In the Federal Register of September 18, 2013, in FR Doc. 2013-22625, on page 57445, in the second column, correct the “New Information” caption to read as follows:

New Information: We are establishing a new standard, single-tier fee of \$102 for each request of detailed yearly Social Security earnings information, regardless of the number of earnings years requested. We will charge a separate fee of \$32 per request, in addition to the standard fee, to certify detailed yearly Social Security earnings

information. We based this new standard fee on our most recent cost calculations for supplying this information and the standard fee methodology previously published in the Federal Register. Non-certified, yearly earnings totals (Form SSA-7004, Request for a Social Security Statement) are still available as a free online service through mySocialSecurity, <http://socialsecurity.gov/myaccount/>, a personal online account for Social Security information and services. Online Social Security Statements display uncertified yearly earnings, free of charge, and do not show any employer information. Certified yearly earnings totals cost \$32, available by completing Form SSA-7050.

In the Federal Register of September 18, 2013, in FR Doc. 2013-22625, on page 57445, in the third column, correct the “Dates” caption to read:

DATES: The new standard fee of \$102 is effective January 1, 2014.

Director, Office of Regulations and Reports Clearance.
